

# Installation instructions

1. Check the version of the OpenCart store on which you will integrate the expansion module. You can do this from the home page of the administrative panel, the version is written at the bottom of the page.

OpenCart © 2009-2020 All Rights Reserved.  
Version 3.0.3.6

2. Open the administration panel of your online store (/ admin) and select from the menu Extensions -> Installer, click the Upload button and select the .zip file CC\_OpenCart.3.x\_TBI\_RO\_v.1.0.1.ocmod.

Extension Installer Home > Extension Installer

Upload your extensions

Install Progress

Progress

3. Then go to Extensions -> Modifications and click the refresh button (small icon in the upper right corner).

Modifications Home > Modifications

Refresh Logout

4. From the admin panel menu, select Extensions-> Extensions. Then select Modules from the dropdown .
5. For TBI Pay, select Install.

6. After installation, two new links appear in place of Install, select Edit.

7. You can change the settings according to your requirements.

A screenshot of the OpenCart admin panel. The left sidebar shows the 'NAVIGATION' menu with 'Extensions' selected. The main content area is titled 'TBI Pay' and shows the 'Editing settings' section. The settings include: 'Display the TBI Pay button' (set to 'On'), 'Unique shop identifier' (a text input field), 'Store ID for eCommerce TBI Pay system' (a text input field), 'Username for eCommerce TBI Pay system' (a text input field), and 'Password for eCommerce TBI Pay system' (a text input field). The footer shows 'OpenCart © 2009-2020 All Rights Reserved. Version 3.0.3.6'.
